COLLEGE OF ENGINEERING

Educational Plant Survey Report 2008
EDUCATIONAL PLANT SURVEY

OF

FAMU/FSU COLLEGE OF ENGINEERING

FACILITIES INVENTORY VALIDATION
JUNE 11, 2008

SPACE NEEDS ASSESSMENT
JUNE 12, 2008

PREPARED BY
FLORIDA A & M UNIVERSITY, FACILITIES PLANNING

AND

FLORIDA STATE UNIVERSITY, FACILITIES PLANNING AND SPACE MANAGEMENT

TALLAHASSEE, FLORIDA
Table of Contents

Table of Contents ........................................................................................................... 3
List of Tables .................................................................................................................. 5
Educational Plant Survey Team ..................................................................................... 6

I  INTRODUCTION ........................................................................................................ 7
   Definitions and Requirements for Educational Plant Survey
   The Purpose of the Educational Plant Survey.
   Types of Facilities Addressed in Survey

II  OVERVIEW OF THE SURVEY PROCESS ............................................................. 9

III THE FACILITIES INVENTORY VALIDATION ...................................................... 11
   The Purpose of Validation
   Selection Criteria
   Functions of Survey Team During Validation
   The Resulting Adjusted Inventory Data

IV  THE SPACE NEEDS ASSESSMENT ................................................................. 13
   Objective
   Types of Recommendations
   Space Needs Formula

V  OVERVIEW OF THE COLLEGE AND CAMPUS MAP .................................. 15
   College Mission
   Florida A&M University
   Florida State University
   Organization of College
   Site Description and Map
VI  ACADEMIC DEGREE PROGRAMS OF THE COLLEGE……………………  18

VII  ANALYSIS OF STUDENT ENROLLMENT…………………………………… 19

VIII INVENTORY OF BUILDINGS…………………………………………………. 21

IX  QUANTITATIVE (FORMULA) SPACE NEEDS……………………………… 25

X  RECOMMENDATIONS OF SURVEY TEAM………………………………… 29

XI  FUNDING OF CAPITAL PROJECTS FOR COLLEGE………………………… 32

Appendices
A.  Board of Governors (BOG) Survey Procedures…………………………… 34
B.  Explanation of Space Needs Generation Formula…………………………… 39
C.  Campus Master Plan for College (FSU Southwest Campus)…………….. 45
List of Tables

Table 1
Educational Plant Survey Activities................................................................. 10

Table 2
Buildings Included in Inventory Validation.................................................... 12

Table 3
Academic Degree Programs............................................................................. 18

Table 4
FTE Enrollment for 2006-2007 and Planned for 2013-1014, By Level, for College of Engineering ................................................................. 19

Table 5
Analysis of Planned Enrollment Change from 2008-2009 to 2013-2014, for College of Engineering ................................................................. 20

Table 6
Inventory of Academic and Support Buildings.............................................. 22

Table 7
Eligible Assignable Square Footage by Category by Building........................ 24

Table 8
Space Standards Used in Fixed Capital Outlay Ten Space Category Needs Generation.................................................................................................. 26

Table 9
Generated Net Assignable Square Feet by Space Category for College of Engineering................................................................. 26

Table 10
Comparison of Existing Satisfactory Space with Generated Square Footage Needs by Category................................................................. 27

Table 11
Analysis of Space Needs by Space Category.................................................. 28

Table 12
Analysis of Facilities Inventory Impact of Survey Recommended Projects................................................................. 31

Table 13
Fixed Capital Outlay Allocations of State Appropriations For College For Fiscal Years 2002-2003 Through 2006-2007.................................................. 33
Educational Plant Survey Team

Survey team members participating in the Educational Plant Survey for the College of Engineering are as follows:

Mr. David (Dave) Heather - Team Leader  
University of Florida  
Facilities Planning and Construction

Mr. Frank Phillips  
University of Florida  
Facilities Planning and Construction

Mr. Kenneth (Ken) Ogletree  
Florida Board of Governors  
Finance and Facilities

Mr. Stanley (Stan) Goldstein  
Florida Board of Governors  
Finance and Facilities

University Facilitators for the Educational Plant Survey for the College of Engineering are as follows:

Ms. Blounche` (Karen) Brown  
Florida A & M University  
Facilities Planning

Ms. Lorilyne (Lori) Pinkerton  
Florida State University  
Planning and Space Management
